Victim of Crime Counsellor & Homicide Support at Victim Support

Suite 5, The Chequers, High Street, Ingatestone Essex CM4 0DG

Dates Employed: 2008- August 2022

Roles and Responsibilities

- Client work to support, using a blended approach online and face to face.
- Assessing clients at risk and arranging support for any victim of crime. These crimes include homicide, domestic abuse, sexual abuse, historical child abuse, harrasment, assault, burglarys, criminal damage and theft.
- Meeting with clients to provide emotional and practical support.
- To be empathic to the victims needs. I have to reassure them that the telephone conversation is confidential. I have protocol and procedures to adhere to including safe guarding. The aim of the telephone conversation is to ascertain what the clients needs are and to carry out a risk assessment, I can assess whether the persons call is to be placed at a low, medium or high level of risk. If the risk is high then the support will be raised to a higher level which would involve liaising with Independent Domestic Violence Workers and Rape and Crisis Agencies.
