WORK EXPERIENCE

Manager (Audit)

PwC London, UK (South of London Audit)

01/2023 - Present

London, UK

Experience

- ◊ Led multiple complex audit engagements, including PIEs and listed entities, with responsibility for delivery, quality control, and stakeholder communication.
- ◊ Worked closely with senior engagement leaders and partners, contributing to my development through high-exposure collaboration on strategic decisions and key audit judgments.
- ◊ Maintained up-to-date technical knowledge of IFRS, UK GAAP, and Financial Reporting Council (FRC) updates, ensuring consistent application of evolving audit methodology and quality standards.
- ◊ Managed end-to-end audit engagements in accordance with firm methodology and International Standards on Auditing (ISA), with active coordination alongside Quality Control Reviewers (QCRs) to uphold excellence in delivery.
- ◊ Cultivated strong client relationships by proactively managing audit planning, timelines, site visits, information flow, and billing discussions, ensuring responsiveness and high client satisfaction.
- ◊ Collaborated with cross-functional specialists — including valuations, IT, governance, remuneration, and sustainability experts — to deliver holistic audit insights and enhance engagement outcomes.
- ◊ Exercised sound judgment on critical reporting issues, overseeing complex group audits under tight deadlines while coordinating workstreams across multiple geographies.
- ◊ Assessed internal control environments, identified design and operating deficiencies, and delivered practical recommendations to management as part of value-added audit reporting.

Senior Associate (Audit)

PwC London, UK (South of London Audit)

01/2020 - 12/2022

London, UK

Associate / Senior Associate (Audit)

OTHER INITIATIVES

Co-Chair PwC Climate Forum

Details

- ◇ I have co-chaired climate change impact forum within the water sector on multiple occasions, collaborating with a highly experienced sponsor partner. This role has involved engaging with subject matter experts and presenting key insights to the senior leadership team over multiple years.

Team Lead D&I shadow leadership PwC

Details

- ◇ As the lead manager, I have overseen our office's Diversity and Inclusion initiative group, coordinating awareness campaigns and initiatives. This role involves working as part of the office's leadership team to promote a more inclusive workplace.

OTHER SKILLS

Proficient in Microsoft Office (Excel, Word, Power point) and other Ai tools like Copilot/Chat GPT

While at PwC, participation in various auditing and accounting training programs ensured staying updated with the latest developments in auditing & financial reporting and consistently meeting CPD requirements.

PROJECTS/AUDIT ENGAGEMENTS

SES Water PLC – Part of Pennon Group Plc (FTSE 250) – Annual Group Audit

- ◇ SES Water, part of Pennon Group Plc (FTSE 250), supplies water to east Surrey, West Sussex, west Kent, and south London areas, serving around 700,000 people. In a senior manager role, I have overseen the entire audit cycle which included group reporting into the Pennon Group Plc and key focus on critical areas such as bad debt (IFRS 9), receivables, goodwill impairment evaluations, and going concern assessments, requiring technical expertise. I also led the review of their listed accounts in multiple years and coordinated on regulatory and governance matters.

Vistry Group PLC (FTSE 250) – Countryside Segment – Annual Audit

- ◇ I served as lead manager for the Countryside segment of Vistry Group's audit, a major UK FTSE 250 listed company in housebuilding, regeneration, and construction. This role gave me deep insights into their financial and operational aspects. I worked closely with the lead audit partner and director, gaining valuable experience while leading a large team for the year-end audit.

Optegra (Horus Midco Limited) – Group Audit

- ◇ Optegra offers ophthalmic healthcare services, including cataract and laser eye surgery, through specialist clinics in the UK and Europe. As lead audit manager, I coordinated group audits for UK and international entities, evaluated clinical revenue models, and ensured accuracy in consolidation/acquisition accounting within a fast-growing, private equity-backed structure.

Chapman Freeborn Group – Aviation – Group Audit

- ◇ Chapman Freeborn, a UK aviation group part of Avia Solutions Group, operates globally in chartering and air logistics. I was the main audit manager for the UK holding group, overseeing auditors in Germany and the USA. The role involved collaborating with directors and partners, managing a complex group audit with multiple teams, and successfully delivering it under tight deadlines.

Technical Role – UK Pension Scheme Audits

- ◇ In addition to mainstream corporate audits, I held a technical and quality-focused management role within PwC's pensions audit stream. I led audits for several high-profile UK and global pension schemes including those of Bunzl Plc, Bakkavor Group Plc, Weetabix, Vocalink, and Heidelberg Group.

ContourGlobal PLC (UK) – Power Generation (Acquisition Accounting)

- ◇ ContourGlobal plc is a British power generation business. It was listed on the London Stock Exchange and was a constituent of the FTSE 250 Index. I had been involved in one of the large acquisition accounting exercises on this client.

The Perfume Shop (UK) – Retail (Annual Audit)

- ◇ The Perfume Shop is a United Kingdom perfume retailer founded in 1992 and owned by A.S. Watson (Health & Beauty UK) Ltd, which is part of the A.S. Watson Group. I've worked on various technical areas such as inventory, asset impairment and revenue as a senior associate on this engagement

FMC United Limited (Pakistan) – Manufacturing Concern (Annual Audit)

- ◇ Audit of the South Asian subsidiary of FMC Corporation, a US-based multinational headquartered in Philadelphia, Pennsylvania with a global workforce exceeding 7,000 employees. The local subsidiary primarily focuses on packaging and distributing pesticides and chemicals within the local market

Security General Insurance Limited (Pakistan) – Insurance (Annual Audit)

- ◇ Security General Insurance Company Limited is an unquoted public limited company, incorporated in Pakistan. The company is engaged in providing non-life general insurance services in spheres of fire and property damage, marine aviation and transport, motor and others including miscellaneous. I acted as a job in charge on this client.
