Marketing Manager

Brand Strategy • Content Development • Campaign Execution • Copywriting • Project Coordination

Adaptable Marketing Manager with 5+ years of experience supporting go-to-market readiness while navigating regulatory constraints, product pivots, and evolving business priorities. Highly skilled at managing cross-functional teams to deliver cohesive messaging and streamlined execution. Proven ability to oversee end-to-end marketing operations, including campaign strategy, creative direction, digital content, and partner outreach. Adept at aligning messaging across departments and channels to enhance collaboration, operational clarity, and scalable workflows.

Professional Experience

Marketing Manager

December 2020 – Present

Barnagard. Stony Brook, NY

- Led brand development and messaging across multiple pivots, defining positioning for evolving product lines.
- Oversaw full-scope marketing ops including campaign planning, social content, SEO copy, and sales materials.
- Managed outreach to prospects and partners, handling early-stage comms and prepping follow-up assets.
- Directed collaboration with design, legal, product, and exec teams to align brand rollout and compliance.
- Conducted market and competitor analysis to guide messaging, positioning, and campaign planning.

Media Advisor and Content Marketer

September 2019 – December 2020

Stony Brook University. Stony Brook, NY

- Collaborated with leadership and partners to turn goals into deliverables using Google Workspace and PM tools.
- Created promotional content across digital and print platforms using Canva, scheduling tools, and email platforms.
- Managed deadlines and workflows to deliver assets on time using shared drives and internal review systems.

Marketing Specialist

January 2019 – September 2019

College Foundry. East Setauket, NY.

- Organized grassroots campaigns and community partnerships, coordinating outreach and promotional efforts.
- Utilized market analysis to develop compelling marketing collateral and messaging to support lead generation.
- Coordinated event logistics and communications, contributing to strong attendance and brand visibility.

Business Manager

May 2016 – January 2019

Old Town Road Owners Corp. Port Jefferson Station, NY

- Oversaw property operations including marketing, resident relations, maintenance, and service coordination.
- Hired and trained employees, handled scheduling, managed vendor relationships, and maintained compliance.
