Professional Summary

I am a seasoned Talent Acquisition Lead with over 16 years' experience in end-to-end recruitment across diverse industries, including white collar, retail, finance and FMCG. I will be relocating from Australia to Singapore August 2025 and actively seeking opportunities that allow me to leverage my skills in strategic sourcing, candidate and stakeholder management. As I prepare for this exciting transition, I am eager to connect with professionals and explore new opportunities in the region.

Core Skills and Expertise

- End-to End Recruitment: Expertise in managing recruitment lifecycle, from sourcing to onboarding.
- Executive Search & Talent Mapping: Experience in senior-level recruitment, sourcing local and international talent and building robust talent pipelines.
- Stakeholder Management: Skilled in building and maintaining relationships with senior leadership and key stakeholders.
- Recruitment Strategies & Process Improvement: Proven ability to implement recruitment strategies that drive efficiency and improve outcomes.
- High Volume & Niche Recruitment: Experience in both high – volume hiring and filling specialised roles in various sectors.
- Technology Proficiency: Advanced skills in PageUp, Bullhorn, Jobadder, Seek Talent Search and LinkedIn Recruiter.
