RECRUITING, HUMAN RESOURCES & OPERATIONS MANAGEMENT

Training & Development ■ Full Cycle Recruiting ■ Relationship Management

Great talent doesn't just show up—it's cultivated, coached, and aligned with purpose.

As a certified John Maxwell Coach, Trainer & Speaker and finalist for Contractor Nation's Innovation Award 2024, I bring 10+ years of experience turning recruiting into a growth engine. I develop talent strategies that drive performance, retention, and culture. Known for building scalable systems, coaching leaders, and presenting at national conferences, I lead with clarity and data. I thrive in high-growth, rapidly evolving environments where hiring meets strategy, and coaching drives change. Whether guiding a search or developing leaders, I build trust and deliver results that last.

LEADERSHIP EXPERIENCE

FRONTIER FOUNDATION & CRAWL SPACE REPAIR

Recruiter / 2022 – Present, Nashville, TN

- Built and maintained a high-volume talent pipeline, successfully hiring 40+ Outside Sales Executives, contributing to revenue growth from \$18M to \$25M over 3 years.
- Recruited and onboarded 40+ Service Technicians, Electricians, and administrative professionals, 280 General Laborers and Warehouse Associates, and 4 C-Suite Executives.
- Organized high-impact, multi-role hiring events to support expansion into new markets across Maryland and Virginia.
- Trained and mentored recruiters, supporting business unit leaders with scalable sourcing, screening, and interview strategies.
- Oversaw recruitment budgets and KPI tracking, providing executive dashboards, ATS and analytics to improve cost-per-hire and time-to-fill. Authored SEO-optimized job descriptions and enhanced employer branding through LinkedIn and Indeed analytics, AI-driven sourcing, and automation tools.
- Led offer management, salary negotiation, and end-to-end onboarding while ensuring compliance with background checks, I-9s, drug screenings, and E-Verify protocols.
- Facilitated leadership L10 meetings, aligning recruiting KPIs and initiatives with quarterly and annual business objectives.
- Provided one-on-one and team-based leadership coaching using John Maxwell principles, resulting in increased retention and growth.
- Developed recruiting SOPs, job architecture frameworks, KPI tracker, and custom tools to scale talent operations effectively.
- Integrated behavioral assessments such as Unisize DISC into the hiring process to enhance candidate fit and team alignment.
- Served as a guest speaker at multiple national conferences and corporate training sessions hosted by Contractor Nation, finalist on the innovation contest for 2024 developing, recruiting cost and lead tracker for the CN Network.

KELLER WILLIAMS REAL ESTATE

Director Of Operations / FYKES Realty Group| 2020 – 2022, Nashville, TN

- Recruited and coached top-performing talent, including 3 multi-million-dollar producing real estate agents and 1 high-converting Inside Sales Agent, directly contributing to office growth and profitability.
- Surpassed 2022 revenue goals by 13% through implementation of the Keller Williams Career Vision multi-phase interview and selection strategy.
- Created and managed job postings and candidate sourcing strategies using platforms such as Indeed, LinkedIn, and KW Command to attract top-tier real estate professionals. Designed scalable hiring systems and qualification frameworks to improve applicant quality, reduce time-to-fill, and optimize applicant tracking workflows, utilizing ATS.
- Delivered ongoing performance coaching, productivity tracking, and individualized feedback, resulting in improved agent retention and sales performance. Directed monthly recruiting and marketing events to support lead generation, brand positioning, and candidate engagement.
- Oversaw payroll, commission reporting, budgeting, and contract administration, ensuring accuracy and compliance from offer acceptance through deal closure. Maintained internal operational manuals, managed office infrastructure, and supported cross-functional process documentation to drive efficiency and team alignment.

THE CLUB AT BWI LOUNGE – GTMS, SODEXO, AIRSPACE
General Manager of Operations | 2013 – 2020, Baltimore, MD

- Directed end-to-end operations for a major hospitality client, overseeing staffing, vendor management, budgeting, and service performance across a high-volume airport lounge.
- Hired, trained, and coached 40+ team members, implementing OSHA, customer service, and onboarding programs that improved employee engagement and retention.
- Executed cost-reduction and efficiency strategies, cutting food and beverage expenses by 45% and improving accounting workflows by 96% through system automation.
- Partnered with corporate and client leadership to align SOPs, reporting protocols, and policy frameworks with compliance, service, and operational goals.
- Managed staff scheduling, payroll administration, and financial reporting, while coordinating with internal departments and third-party vendors to ensure smooth daily operations.

Corporate Trainer & Launch Leader

The Club at BWI Lounge – GTMS, Sodexo, Airspace | Boston, MA & Miami, FL | 2016 – 2017

- Led the successful pre-opening and launch of two new airport lounges (BOS and MIA), overseeing recruitment, structured interviewing, and onboarding for new hires.
- Developed and delivered training programs aligned with company culture and operational standards to ensure seamless team integration and guest readiness.
- Conducted pre- and post-launch performance evaluations, identifying operational gaps and implementing scalable improvement strategies.

SUNSET POOLS INC.

Area Manager | 2009 – 2013, Baltimore, MD

- Led recruitment, training, and performance management for 45+ seasonal employees across 25 hospitality pool locations, ensuring full compliance and staffing coverage.
- Developed and delivered certification programs in CPR, First Aid, pool maintenance, and safety compliance, enhancing service quality and meeting state standards.
- Managed scheduling, payroll, logistics coordination, and day-to-day operations across all facilities to ensure continuous operational readiness.
- Oversaw vendor contracts and service agreements, ensuring delivery standards, timeline adherence, and regulatory compliance.
- Collaborated with state health departments to ensure inspection readiness, conducting regular safety audits and producing compliance documentation.
