

Michael Larsen

New York, NY • (929) 215-4228 • mlarsen015@gmail.com
<https://www.linkedin.com/in/michaelmlarsen>

Experienced SaaS, fintech, and AI sales professional with 10+ years in driving new business, developing product-market fit, and executing US market expansion for international startups. Skilled in contributing to high-velocity sales teams, leading player-coach roles, and creating US-centric sales motions. Proven ability to collaborate with founders and CEOs to execute go-to-market strategies. I am passionate about driving early-stage growth and scaling startups through strategic business development and growth initiatives.

RaspberryAI

Enterprise Account Executive

March 2025 – Present

New York, NY (remote)

- Closed \$750K+ in new business within first year (including ramp period), exceeding quota expectations
- Generated \$278K in new business in Q1 2026, followed by \$103K within the first three weeks of Q2 2026
- Ranked #1 sales performer across Q2–Q3 2025 and Q1 2026, outperforming a team of 6+ representatives
- Sourced, negotiated, and closed enterprise deals with key clients, including Alo Yoga, InMocean Group, Loblaw Canada, Tecovas, and more
- Drove the highest-performing ramp quarter in company history at RaspberryA
- Recognized as the only sales representative to exceed 12 months tenure amongst a rolling cohort of 10+ hires in a high turnover environment, demonstrating sustained high performance
- Second founding Enterprise Account Executive, serving as the sole sales representative for 2.5 months; generated early-stage revenue that enabled RaspberryAI to scale and build out the sales team
- Selected to train and onboard new Business Development Representatives (BDRs), accelerating ramp time and improving team readiness

ProcurementIQ

Enterprise Account Executive

July 2023 – February 2025

New York, NY (remote)

- Drove enterprise B2B pipeline growth through email campaigns, cold outreach, joint marketing initiatives, and conference attendance
- Consistently exceeded ramp-up goals by qualifying leads and addressing prospect's challenges
- Apply expertise from formal training in SPIN Selling, Challenger Sales, and MEDDPIC to optimize sales techniques and performance
- Selected to play a key role in training and onboarding new Account Executives, contributing to the development of a high-performing standardized team and ensuring their successful integration into the organization

CYBERA

Founding Enterprise Account Executive

2022 – 2023

New York, NY (Hybrid)

- Led U.S. expansion for a Swiss pre-seed cybersecurity startup offering FinTech/RegTech fraud solutions, including cybercrime databases, AML, BSA, and KYC compliance for banks, credit unions, and crypto companies
- Consistently generated 10+ new enterprise sales opportunities monthly through strategic outbound outreach and networking within fraud prevention, BSA/OFAC, AML, MLRO, and compliance sectors achieving 106% of target
- Collaborated directly with the CEO and CRO to shape and execute innovative market strategies, driving opportunity growth to ascertain US product-market fit
- Led daily sales huddles with senior leadership to analyse performance, track benchmarks, and identify key market trends
- Managed the conference budget and coordinated the event schedule, ensuring timely delivery of all milestones, adherence to budget constraints, and seamless execution of event logistics

Bambu

2020 – 2022

Enterprise Account Executive

New York, NY (Remote)

- Spearheaded full-cycle sales for enterprise B2B clients (banks, credit unions, RIAs) at a generative AI investment advisor Singapore-based SaaS startup, driving market entry and scaling revenue
- Built and scaled a \$4,600,000 enterprise pipeline by leveraging strategic prospecting, tapping into professional networks, and engaging high-value stakeholders across digital channels, events, and webinars, exceeding an annual sales quotas of \$1,000,000 by 146% in 2021
- Delivered a high-impact 7-minute software demo to 2,000+ financial professionals alongside the CEO during Finovate Fall 2021, securing the "Best of Show" award among 70+ competitors showcasing fintech Artificial Intelligence innovation
- Engaged C-suite executives at financial institutions with value-driven presentations, both in-person and virtually, to drive enterprise sales
- Led the recruitment, onboarding, and mentorship of Business Development Representatives

TouchBistro

2017 – 2020

Senior Account Executive

New York, NY

- Managed the strategic channel partnership between TouchBistro's SaaS platform and JPMorgan Chase Bank's FinTech merchant processing solutions for the NYC market in 2019, driving revenue growth and successfully reaching 89% of a \$750,000 quota
- Awarded "Salesman of the Year" in 2018 as the top company-wide performer among 50+ global sales representatives across the US, UK, Mexico, and Canada, surpassing a \$500,000 annual quota by 122%
- Recognized as "Rookie of the Year" in 2017 for outstanding performance among all junior sales representatives globally, achieving 138% of a \$350,000 quota
- Promoted to a high-velocity Senior Account Executive, after back-to-back top performance years

Epos Now

2014 – 2016

SMB Account Executive

Orlando, FL

- Appointed as 1 of 3 founding sales representatives to establish the U.S. headquarters for a UK-based cloud SaaS company, driving significant SMB entry and expansion
- Played a pivotal role in scaling team sales from \$0 to over \$200,000 in monthly ACV
- Earned the prestigious UK Queen's Award for Business

Education

Bucknell University, Bachelor of Arts

2014
