Professional Summary

Experienced Audit Manager with 10+ years of Big Four experience across the UK, Middle East, and Pakistan. Strong track record supporting senior finance leaders through high-quality external audits, financial reporting reviews, controls assessments and commercial performance insights. Skilled in IFRS, UK GAAP (FRS 101/102), US GAAP, ISA and PCAOB standards, with hands-on experience working with large and complex multinational groups. Known for partnering effectively with CFOs, Finance Directors and Group Controllers to strengthen reporting processes, improve control environments and enhance financial governance.

Core Finance & Leadership Capabilities

- Financial reporting under IFRS, UK GAAP and US GAAP
 - Senior finance stakeholder engagement (CFOs, Finance Directors & Group Controllers)
 - Controls, governance & risk management
 - Commercial insight: budgets, forecasting, cost control
 - Group audit, consolidations & multi-entity coordination
 - Data-driven analysis & process improvement
 - Leading and developing multi-location teams (onshore & offshore)
 - Project management, stakeholder communication & issue resolution
-

Professional Experience

PricewaterhouseCoopers LLP, Reading, UK

Audit Manager (Jan 2023 – Present)

- Lead multiple audit engagements for large and mid-market organisations across life sciences, manufacturing, technology and distribution sectors.
- Provide insight and challenge to senior finance leaders on accounting treatments, controls, key risk areas and financial reporting processes.

- Manage end-to-end engagement delivery including commercial performance, team resourcing, billing and cost-to-complete oversight.
- Support finance teams with audit readiness, technical accounting matters and process streamlining.
- Coordinate global PwC component teams and act as a key point of contact for group reporting across multi-location structures.

PricewaterhouseCoopers LLP, UK

Assistant Manager / Senior Associate (Mar 2019 – Dec 2022)

- Delivered full-scope audits across life sciences, manufacturing, technology and distribution sectors.
- Reviewed complex accounting areas and resolved technical accounting issues under IFRS and UK GAAP.
- Liaised with senior management to improve internal controls and strengthen financial reporting processes.
- Coordinated group reporting and collaborated with component auditors across multiple jurisdictions.

Ernst & Young, Oman / UAE / Pakistan

Senior Auditor / Engagement Auditor / Associate (Mar 2010 – Jan 2019)

- Delivered statutory audits under International Standards on Auditing (ISA) for mid-market and large clients.
 - Assessed internal controls, risk areas, and financial reporting processes, providing recommendations for improvement.
 - Built strong client relationships and coached junior team members.
 - Recognised with EY Star Award and consistent high-performance ratings.
-
