

LOOKING TO LEVEL UP YOUR CAREER AND TAKE ON EXCITING NEW CHALLENGE?

If you're a people-person with a proactive mindset and a passion for making an impact, we want to connect with you.

We're on the lookout for driven and personable Recruitment Consultants to join our Energy-cum-Construction sector clients globally.

This is your chance to step into a role where you'll have full autonomy over your desk—owning the recruitment process end-to-end, from identifying top-tier talent to securing successful placements. You'll also play a key role in nurturing and growing relationships with some of the most influential players in the energy industry.

What You'll Be doing:

- **End-to-End Recruitment:** Identify, engage, and place top technical talent in contract roles across the energy sector.
- **Innovative Sourcing:** Use creative strategies and tools to grow your candidate network and attract high-calibre professionals.
- **Candidate Engagement:** Build lasting relationships with candidates, ensuring a strong and dependable talent pipeline.
- **Contractor Management:** Oversee contractor performance and logistics to ensure smooth delivery and client satisfaction.
- **Compliance & Quality:** Uphold standards while ensuring full compliance with local laws and client-specific policies.
- **Business Development:** Uncover new opportunities through networking, referrals, and lead generation to grow your desk.
- **Process Excellence:** Manage job postings and candidate pipelines with precision, speed, and attention to detail.

What We're Looking For:

- **Excellent Communicator:** You're approachable, articulate, and confident in building strong relationships with both clients and candidates.
- **Driven & Organized:** You thrive in a fast-paced setting, managing your workload independently while staying focused and efficient.
- **Team-Oriented:** You bring a collaborative spirit and contribute positively to a supportive, high-performing team culture.
- **Contract Recruitment Pro:** You have a solid track record in contract recruitment, ideally within technical or engineering domains.
- **Cross-Border Experience:** You're comfortable navigating international recruitment, particularly across European markets
- **Renewable Industry Insight:** Experience in or exposure to recruitment within the off-shore wind or clean energy sector is a strong advantage.

Why you should join US:

- **Take full control of your portfolio** in a supportive environment that encourages entrepreneurial thinking.
- **Global Opportunities:** Work with colleagues and clients across continents, gaining exposure to international markets.
- **Collaborative Culture:** Enjoy the best of both worlds—independent work with the backing of a friendly, team-oriented culture.
- **Work-Life Balance:** Benefit from hybrid working, flexible hours, and wellness perks like lunchtime fitness sessions.
- **Travel & Events:** Attend global conferences and award ceremonies in exciting cities like Lisbon, Houston, Dubai, and New York.
- **Career Growth:** Follow a clear path for advancement with personalized development plans and mentorship.
- **Competitive Rewards:** Enjoy a strong base salary and a high-earning bonus structure that recognizes your achievements.
